This certificate remains valid only if the product permanently complies with the elements under which it was obtained, except suspension or withdrawal notified in time by NYCE.

Security Code: df55348d0f24e8c0e8537c2ed4649d8b

This Product Certificate means the granting of the right to use the **Software Product Certification Label**, which must be shown, in a legible, discernible and indelible form, on the products covered by this Certificate, as indicated in the Following figure:

The Software Product Certification Label is subject to compliance with the **"Software Product Certification Label Use Policy"**.

CLAUSES

1. The holder must display the Software Product Certification Label by means of labels, stamping or other procedure that makes it ostensible in each unit of the products covered by this Certificate.
2. procedure that makes it ostensible in each unit of the products covered by this Certificate. The holder of this Certificate undertakes to respect the conditions of use of both the Certificate of Conformity and the Software Product Certification Label.
3. The certificate holder must guarantee that the certified products bearing the Software Product Certification Label comply with the specifications of the applicable Mexican Standard.
4. Neither this Certificate of Conformity nor the Use of the Label, in any case replaces the guarantee of the product that corresponds in the terms of the legislation and the norms in force.
5. The certificate must be automatically canceled, when:
 - The technical specifications on which the Certificate of Conformity is based have undergone changes and it is not possible to carry out a re-evaluation of the product.
 - Misuse of the Certificate of Conformity or Password.
 - Upon written request of the holder.
 - It is detected during the validity of the certificate that the certified product fails to comply with the standards under which it was certified.
6. Any improper use of the Certificate of Conformity, either by the owner or by a third party, will give rise to legal or judicial action by NYCE.
